DEPARTMENT OF NATURAL RESOURCES  
IN AND FOR THE STATE OF UTAH

---oo0oo---

IN THE MATTER OF TENTATIVE	:	NOTICE OF TENTATIVE
APPROVAL OF THE MINING AND	:	APPROVAL
RECLAMATION PLAN PERMIT	:	NO. ACT/019/018
APPLICATION SUBMITTED BY		
PHILIP GRAMLICH,		
GRAND COUNTY, UTAH		

---oo0oo---

THE STATE OF UTAH TO ALL OPERATORS, TAKERS OF PRODUCTION, MINERAL AND ROYALTY OWNERS, AND PARTICULARLY ALL PERSONS INTERESTED IN SECTION 23, TOWNSHIP 26 SOUTH, RANGE 23 EAST, SLBM, GRAND COUNTY, UTAH.

Notice is hereby given that tentative approval was given by the Division of Oil, Gas and Mining on July 9, 1986 to Philip Gramlich to conduct surface mining operations in Section 23, Township 26 South, Range 23 East, SLBM, Grand County, Utah.

The name of the proposed mining operation is the Longshot Mine and the person representing the company is Mr. Philip Gramlich, Manager, 460 Rosetree Lane, Moab, Utah 84532.

Philip Gramlich has fulfilled obligations under the Utah Mined Land Reclamation Act of 1975 (Section 40-8, UCA 1953, as amended) with specific reference to Section 40-8-13 and will employ the following mining and reclamation techniques on approximately ten (10) acres of federally owned Forest Service land.

During Operations:

1. Proposed mining will disturb approximately nine (9) acres of gravel and channel fill deposits. A 0.9 acre processing area will be used to concentrate the ore.
2. Water will be diverted from the North Fork of Mill Creek to supply the processing plant and two (2) settling ponds.

Following Operations:

1. Coarse tailings will be replaced in the mined out areas to approximate original contour. Fine tailings removed from the settling ponds and stockpiled soil will be redistributed over the reshaped tailings.
2. The disturbed area will be revegetated with a grass-forb vegetative community.

Any person or agency aggrieved by this tentative decision is hereby requested to submit written protest within thirty (30) days of the date of publication to the Division of Oil, Gas and Mining, Suite 350, 3 Triad Center, 355 West North Temple, Salt Lake City, Utah 84180-1203, setting forth factual reasons for his or her complaint, and thereafter, at a time and place to be established, appear before the Board of Oil, Gas and Mining to show cause, if any, why this mine plan should not be approved.

DATED this 11th day of July, 1986.

STATE OF UTAH  
DIVISION OF OIL, GAS AND MINING

  
Marjorie L. Anderson
